

Monthly Giving Supports Deschutes Children's Foundation

Deschutes Children's Foundation provides the space and support for nonprofits to succeed at helping children and families.

Your donation helps insure that our four community campuses in Bend, Redmond, and La Pine are safe, welcoming locations for the children and families who seek help within our walls. Thanks to you, children and families will continue to access necessary services and resources like preschool, clothing, food, dental hygiene, and counseling. Our partners improve the safety, health, and quality of life of each individual who walks through our doors. Your donation helps achieve our vision of a community where all children and families have the resources they need to thrive.

Becoming a monthly donor is easy. Complete the information at the bottom of this page and return it with a voided check. Every month on or around the 20th your gift is automatically debited from your account. At the end of the year we'll mail a receipt of your yearly giving. Monthly contributions are flexible and may be increased, postponed, or canceled at any time. Even a small monthly gift becomes significant over time.

Thank you. Your generosity helps us build a community of services for vulnerable children and families in our community. If you have any questions, please contact our Executive Director, Amy Ward, at 541-388-3101 or amy@deschuteschildrensfoundation.org.
