

### **Become a Partner at a Deschutes Children's Foundation Community Campus**

Deschutes Children's Foundation provides the space and support where nonprofits succeed at helping children and families. We envision a community where all children and families have the resources they need to thrive.

An 860 square foot office space at 1029 NW 14th Street will be available starting August 1, 2022. The space features a large central room and two smaller offices. Use fees are \$624.75 per month for this space (equivalent commercial rent estimate is \$2,012 per month). Located at Deschutes Children's Foundation's Rosie Bareis Community Campus in west Bend, campus partners include KIDS Center, CASA, Healthy Beginnings, Community Solutions, and the Deschutes Children's Foundation administrative offices.

Nonprofit partners serving children and families receive many benefits from working at Deschutes Children's Foundation. No-cost facility management, organized expense sharing, and a collaborative environment reduces partners' operating expenses and improves the delivery of services to their clients. At Deschutes Children's Foundation, partner programs receive classroom and office space at rates as low as 79% lower than comparable market rent. Monthly use fees help offset the cost of utilities and maintenance.

We strive to create a complimentary balance of programs and services provided at each of our campuses. Deschutes Children's Foundation considers the following when space becomes available: Program mission and nonprofit status

- Compatibility of available space and any special/specific program requirements
- Potential for collaboration with other campus programs
- Funding sources and financial stability of program
- Potential fit between program clients and other resident programs
- Combination of direct/support services offered
- Number of children and families compatible with campus makeup

If your program is interested in this space, please submit a written proposal that addresses the following questions:

1. How will your program collaborate with other partners/programs on campus?
2. What specific services will your program provide from this site?
3. How many children/adults do you expect to serve **at this site** daily and per year? **From this site?**
4. How many of your staff will be located at this campus?
5. How many hours a day, days a week, and months a year will your program staff this site/be available to clients?
6. How are you funded? Please include financial statements in your application and proof of 501c3 Status
7. What kind of interactions do you foresee your program having with other programs at this site, and how will those be facilitated and encouraged?
8. What are your space requirements?

Applications are due by 5pm on Thursday, June 30, 2022.

For more information, to see the space, or to submit your application, please contact, Jan Eggleston, Interim Executive Director, 541-388-3101, [jan@deschuteschildrensfoundation.org](mailto:jan@deschuteschildrensfoundation.org)
